

SOLID WASTE PREPARATION & REGULATIONS

Always available online @ www.lavallette.org

Preparation

Garbage placed for Municipal collection shall not contain any of the designated recyclable materials, materials resulting from demolition, construction or hazardous waste. All garbage shall be placed in dark – colored, heavy – gauge plastic bags or metal, plastic or vinyl containers that are designed for such purpose with handles and a tight lid.

Trash and recycling containers may be no larger than 50 gallons and may have a “flip top” lid. Lids, attached to the container with rope, string, or cord are not permitted, as they may cause a tripping hazard for municipal collection personnel. Each receptacle or bag shall weigh no more than 40lbs.

Make sure there are enough receptacles needed to hold the garbage until the next collection day.

Placement

Garbage should not be placed at the curb prior to 7:00 p.m. the day before collection. Please take cans in at your earliest convenience.

Single Stream Recycling

All glass bottles, aluminum cans, tin cans, all plastic containers (PET & HDPE-where the neck is smaller than the body), newspapers, mixed papers, junk mail, shredded papers, cardboard, and magazines can all be placed in one container for curbside pickup.

Free recycling stickers are available at the Public Works Office and should be placed on trash containers to designate them as a recycling container. Commingled recyclables should not be placed in bags for pickup or drop off.

Pickup Schedule

Summer Collection Schedule

May 3, 2021 Through October 1, 2021

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
Garbage & Recycling All Zones	No Scheduled Pickup	No Scheduled Pickup	No Scheduled Pickup	No Scheduled Pickup

Weekend Household Waste Drop Off

Lavallette Recycling Center accepts recycling, regular household waste and small bulk trash. Residents can bring their trash down to the Center from 7:00 a.m. to 2:45 p.m. This is a great opportunity for those who need the extra pickup because of rentals, parties or any other reason. When visiting our Recycling Center identification and proof of residency may be required for each visit. These include a utility bill, tax bill or driver's license. Anyone who wishes to obtain a copy of their Municipal Bill as proof of residency can do so at Public Works Office or Borough Hall.

Placing household trash in public litter receptacles is a violation of Borough Code.
