Lavallette Emergency Notification System:

The notification system allows our officials to record a message and send that message to every telephone number listed in the directory within a matter of minutes. Whether residents need to be informed of a water main break, a fast-moving fire, approaching storms, or other crisis, the notification system is the most efficient way to reach them with the news.

The Emergency Notification System will send messages to a database of telephone numbers and email addresses.

The Borough of Lavallette strongly encourages residents to visit our website at www.lavallette.org, and register your land line and cell phone numbers and email addresses to receive emergency messages on additional devices from The Borough of Lavallette.

Bicycles:

Bicycles are permitted on the boardwalk during the bathing season between the hours of 5:00am thru 10am. Bicycle riding is prohibited on sidewalks in the business area. Bicycle riders on highway must obey all NJ State Laws and local ordinances. **RIDERS MUST KEEP TO THE RIGHT AND MUST NOT RIDE AGAINST THE FLOW OF TRAFFIC. THIS PROVISION WILL BE ENFORCED.**

- Only one person may ride on a bicycle, unless it is designated otherwise.
- Bicyclists must ride single file only.
